For example, the BSc in Environmental Science includes modules such as Ecology, Geographical Information Systems, and Sustainable Development, preparing students for roles in environmental management or research.

Admission Requirements and Application Process

A critical component for prospective students is understanding the admission criteria and procedures.

General Admission Criteria

The 2015 prospectus clearly states the minimum requirements, which typically include:

- A National Senior Certificate (NSC) with endorsed admission to degree studies
- A minimum overall admission point score (APS), varying per faculty
- Specific subject requirements depending on chosen programmes (e.g., Mathematics for science degrees)

It emphasizes that meeting minimum requirements does not guarantee admission, as space limitations and competitive selection processes also apply.

Application Procedures

The guide delineates step-by-step instructions for application:

- Completing the online application form via the NWU website
- Submitting supporting documents (certified copies of academic transcripts, identification, and proof of payment)
- Application deadlines (varies per faculty but generally around September-November for the following year)
- Additional requirements for international students, including visa compliance and language proficiency tests

The prospectus also discusses the importance of early application and provides contact details for queries.

Student Support Services and Facilities

The prospectus emphasizes NWU's commitment to student success through various support structures.

Academic Support

- Counseling and Mentorship Programs: To assist students in academic and personal challenges.
- Learning Centers: Providing tutoring, writing workshops, and study resources.
