The novel also aligns with eco-fiction and climate fiction (cli-fi), contributing to a growing body of literature that foregrounds environmental themes. Chavez's incorporation of scientific plausibility alongside imaginative speculation enhances the work's credibility and urgency.

The open-ended conclusion hints at deeper conspiracies, evolving resistance movements, and the possibility of ecological redemption. A Personal Testament in a Political Landscape

Published posthumously, "Mi Primera Vida" is not merely a memoir but a narrative that blends personal anecdotes with ideological reflections. It serves as a vital primary source for scholars, journalists, and political analysts seeking to understand Chávez beyond his public persona.
