- **Inspection & Verification:** The vehicle undergoes a fitness and inspection process at designated Regional Transport Offices (RTOs) or authorized centers.
- **Assignment of Registration Number:** Upon approval, a unique registration number is issued, which is typically a combination of regional codes and sequential numbers.
- **Issuance of Registration Certificate (RC):** The vehicle owner receives the RC, an official document that certifies registration and contains vital vehicle information.

The Registration Number Format

Kerala's vehicle registration plates follow a standardized alphanumeric format, which provides information about the vehicle's registration region and sequence:

- **Regional Code:** Two-letter code indicating the RTO zone (e.g., KL-01 for Thiruvananthapuram, KL-07 for Ernakulam).
- **Series Code:** One or two letters representing the series in sequential order.
- **Number Series:** A four or five-digit number unique to each vehicle (e.g., 1234).

For example, a vehicle registration number like KL-07-AB-1234 indicates a vehicle registered in Ernakulam, series AB, with the unique number 1234.
